

Hazardous Waste Policy

The Hazardous Waste Policy is a subordinate document to Midsummer Environmental Policy. The policy is revised by the senior management yearly. The owner of this policy is the CEO.

We place high demands on our partners who manage our waste.

- Our suppliers have secure and efficient systems for handling the hazardous waste.
- Our suppliers are highly qualified in environmental work
- Our suppliers have the necessary skills, permits, and resources required to treat waste in a safe and guaranteed environmentally safe manner.
- Our suppliers are certified within the environment, work environment and quality.
