The board of directors shall have the right to resolve on an extension of the subscription period.
7. Subscription of shares may also be made without subscription rights. In such cases, allotment share be made in the following order:

The board of directors, or its nominee, is entitled to resolve on any minor changes in the resolution that may be required when registering the resolution at the Swedish Companies Registration Office, Euroclear Sweden AB or due to other formal requirements.

Item 8 – The board of directors’ proposal for a resolution on an issue authorization for the board of directors

The board of directors proposes that the meeting resolves on an issue authorization, mainly in accordance with the following.

The board of directors proposes that the meeting resolves to authorize the board of directors to up until the next annual general meeting, on one or several occasions and with or without preferential rights for the shareholders, against cash payment or against payment through set-off or in kind, or otherwise on special conditions, resolve to issue new shares, warrants and/or convertibles. However, such issue of shares must never result in the company’s issued share capital or the number of shares in the company at any time, being increased by more than a total of 10 per cent at the time when the issue authorization is first utilized.

The reason for the proposal and the possibility to deviate from shareholders’ preferential rights in the proposal is, among other things, to facilitate for the company to carry out payments in shares or to otherwise procure the financing of the company in an active and appropriate manner.

The board of directors further proposes that the meeting authorizes the board of directors, or the person appointed by the board of directors, to make minor changes to the above resolution that may prove necessary for registration with the Swedish Companies Registration Office.

Item 9 – The board of directors’ proposal for a resolution on warrant program 2023/2027

The board proposes an implementation of a long-term incentive program for the CEO and certain members of management in the Midsummer AB group (the “**Company**”) in accordance with the below main terms, whereby warrants will be issued without payment of any consideration to the Company which will thereafter transfer the warrants to employees of the group for the warrants market price. It is proposed that the resolutions under the items below are conditional upon each other and made jointly as one resolution.

Proposal for resolution on transfer of warrants to certain employees

Reasons for the board’s proposal for Warrant Program 2023/2027

The board deems it to be in the interest of the Company and its shareholders that certain employees of the company share the financial interests of the shareholders by being offered to acquire warrants in an incentive program. Such offer is expected to lead to increased motivation and an increased sense of belonging with the Company, as well as to an increased interest in the business and performance of the Company. The effects are amplified by the fact that the program is implemented on market terms where the persons concerned take part in stock price increases, but also take a personal risk by paying a market-based price for the warrants.

Transfer and allotment

The board proposes that the meeting resolves on transfer of up to a total of 12,250,000 warrants to certain employees in accordance with the following terms.

The right to acquire warrants shall vest in accordance with the following:

Group	Category	Participants	Warrants (per participant)
Group 1	CEO, deputy CEO and Operations Manager	3	1,500,000
Group 2	Senior executives	7	750,000
Group 3	Other key personnel	10	250,000

If there are remaining warrants following subscriptions up to the guaranteed level according to the above, remaining warrants may be distributed among the participants irrespective of category. However, participants may be allotted not more than twice the number of warrants compared to the guaranteed allotment. The total number of warrants in the issue may not be exceeded.

In the event that not all participants who wish to subscribe for the maximum number of warrants may receive full allotment, the remaining warrants shall be allotted these participants pro rata in relation to the participants guaranteed number of warrants, however not exceeding the maximum allotment. The board resolves on the final allotment.

Allotment is conditional upon the subscriber, at the time of allotment, being employed or engaged by the group and at such time not having resigned or had their employment/assignment terminated and entering into an agreement with the Company giving the Company a right to first refusal as well as a right to repurchase the warrants in certain conditions.

Costs and dilution associated with the program

The Company will partly subsidize the warrant premium to be paid by the participant for the warrants, with the purpose of facilitating and encouraging a personal long-term interest in the Company by senior executives and key personnel. Hence, the Company will through a cash bonus subsidize half of the amount each participants is to pay for the warrants. The subsidy will be paid in connection with the subscription of the warrants. Information on the total cost of the subsidy will be provided in the complete proposal for warrant program 2023/2027, which will be made available no later than two weeks before the meeting.

Overall the board assesses that the warrant premium, the warrant term and the subsidy for the warrants, as well as the principal for the allocation of the warrants to the employees, are reasonable in light of market practise and the Company's need to be able to stimulate the work effort of the participants through the offer of participation in the warrant program.

Full participation and exercise of the warrants will give rise to a dilutive effect of app. 6.3 percent.

Preparation of the matter

The proposal for the general meeting has been prepared by the board together with Advokatfirman Lindahl KB.

Proposal for resolution on issue of warrants

The board proposes that the meeting resolves on an issue of warrants in accordance with the following.

1. The Company shall issue a maximum of 12,250,000 warrants where each warrant shall entitle the holder to subscribe for one new share in the Company, as a consequence of which the Company's share capital may increase by a maximum of SEK 490,000.
2. Disapplying the shareholders' pre-emption rights, the right to subscribe for the warrants shall vest in the Company, with the right and obligation to transfer the warrants to the employees in accordance with the above. The reason for disapplying the shareholders' pre-emption rights is that the board wishes to implement an incentive program for employees in the group.
3. The warrants will be issued without payment of any consideration. Subscription shall be affected no later than December 29, 2023. The board shall be entitled to extend the subscription period.
4. Any excess amount (share premium) shall be entered under the free share premium reserve.
5. The warrants are governed by special warrant terms and conditions. The warrant terms and conditions state, among other things, the following conditions.
 - a. For each warrant, the holder is entitled to subscribe for one new share against payment in cash at a subscription price of SEK 2 per share.
 - b. The subscription price and the number of shares which can be subscribed for on the basis of a warrant may be subject to adjustment in accordance with the terms and conditions for the warrants. Recalculation can also take place when subscribing for shares through a so-called Net Strike formula.
 - c. Subscription for shares based upon warrants may take place during a period of five months commencing on the day after the Company's quarterly report for Q4 report for the financial year 2026 has been made public. In the event that the Company has not made public any such quarterly report prior to March 31, 2027, subscription may take place from April 16, 2027, up until and including April 30, 2027.
 - d. Shares subscribed for by using the warrant shall entitle to dividend for the first time at the record date for dividend nearest occurring after subscription has taken place.
